WRIT PETITION No.28206 of 2005

O R D E R:

The petitioner challenges the proceedings, dated 28-08-2003, whereunder he was placed under suspension. Several grounds were urged on behalf of the petitioner. The fact, however, remains that the petitioner filed WP.No.18635 of 2005 against the very order of suspension, dated
28-08-2003, and it was dismissed on 02-11-2005. An observation was made to

the effect that the respondents herein shall pass appropriate orders as regards the entitlement of the petitioner to be paid the subsistence allowance.

The petitioner filed Writ Appeal No.2322 of 2005 against the order passed by the learned single Judge. The Writ Appeal was also dismissed as recently as 01-12-2005. An observation was made to the effect that, it shall be open to the petitioner to make an application as regards review of his case for revocation of suspension. When the grievance of the petitioner was dealt with by this Court in Writ Petition or Writ Appeal, as the case may be, it is not at all open to him to file this writ petition. If any directions issued therein are not complied with, the only course open to him is to file contempt case.

Hence, the writ petition is dismissed. There shall be no order as to costs.
